

Dear Hiring Manager,

I am writing to express my keen interest in the storyboard artist / revisionist position at your company. My name is Michelle Yu Du, and I am a storyboard artist who also has a background in character design.

Throughout my career, I have worked on a variety of design projects in the industry, including animated series, feature film development, and other short-form projects. Additionally, I had the opportunity to contribute to the production of a short film "MEAL ON THE PLATE," that was nominated for Sundance in 2022.

In the journey of enriching my experience, particularly in storyboarding, I bring a solid foundation of crafting skills and the ability to capture clear and expressive story moments through character posing and acting. I enjoy bringing characters to life and also love to present and share their stories with others. As a result, I have diligently prepared a storyboard design portfolio that showcases my storytelling skills, featuring some of my original characters.

In addition to my artistic aspect, I am a collaborative team player who excels in communication and idea exchange within a creative environment. I actively seek out hands-on experiences to learn, improve, and contribute to the art of storytelling. I embrace feedback and see each project as an opportunity for personal and professional growth. Driven by my passion, I am eager to join a team where we can make a positive impact, bring happiness, and create lasting memories through our work.

I am confident that my skills, passion, and eagerness to learn make me an ideal candidate for the storyboard artist / revisionist position. I am excited about the opportunity to contribute to your company and bring stories to life through my expertise.

Thank you for considering my application. I would welcome the opportunity to discuss how my skills and experience align with the requirements of the storyboard artist / revisionist role. Please feel free to contact me at your convenience via email or phone.

Thank you for your time and consideration.

Sincerely,
Michelle Yu Du
